**NEWS RELEASE: EMERY PLACE ASSISTED LIVING & MEMORY CARE
AWARDED 2018 BEST OF ASSISTED LIVING FROM SENIORADVISOR.COM**

Robins, IA (December 18, 2017) – Emery Place Assisted Living & Memory Care is proud to announce that they have been selected as one of the 2018 Best of Assisted Living Award Winners on SeniorAdvisor.com, the largest ratings and reviews site for senior care and services in North America. This is the third year in a row, since opening their community in May of 2015, Emery Place has received this honor.

Winners of the SeniorAdvisor.com Best of 2018 Awards are located all over the United States and Canada and represent the top tier of in-home care, assisted living, and other senior living providers in North America. This exclusive designation places the winners in the top one percent of senior care providers nationwide according to those who matter most - their families.

“As SeniorAdvisor.com’s ‘Best of Senior Living’ awards enters its fifth year of honoring the top family-rated communities and care providers, we are proud to say that the bar has been raised.” said Eric Seifert, President and COO of Senioradvisor.com. “In order to ensure only the best communities and care providers win, we decided to make the criteria harder than ever and we saw over 1600 winners rise to the occasion. Each year we are more and more impressed with the quality of winners and look forward to spreading the word about these award winning organizations.”

Emery Place Assisted Living & Memory Care, located at 901 S. Mentzer Road in Robins, regularly receives highly positive reviews from their families, like this one:

“...My father moved in the second day that Emery Place opened. I had been looking in the area for a good six months when I saw it being built. I stopped in and made my decision then and there. I have never regretted that decision. I am always made to feel welcome when I visit, which is often. It’s a comfort knowing that Dad is being cared for and I could call and check on him at any given time. I have total faith in the care that he is provided.”

To qualify for inclusion in the Best of 2018 Awards, providers must have maintained an average overall rating of at least 4.5 stars while receiving three or more new reviews in 2017. Additional details and a complete list of award winners can be found on SeniorAdvisor.com.
